THE TIME TO SUBSCRIBE.

The old newspaper saying, "now is the time to subscribe," was never more true than at present. The times are so full of incident, so many important national and State affairs are shaping themselves for a change, that no one can afford to be without a metropolitan daily or weekly. The St. Louis Republic, the greatest democratic newspaper, is making a special offer of its daily and Sunday paper for three months at \$1.50. It is \$6 a year by mail. The Twice-a-Republic is sent two times a week—104 papers—for only \$1 a year. In addition to all the political news, it prints every day a spread of general news and features not equalled by any other paper.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents.

MAKE THE MOST OF YOURSELF.

It is the duty of every man to make the most of himself. Whatever his capacities may be, he is sure to find some place where he can be useful to himself and to others. But he cannot reach his highest usefulness without pure blood. The blood circulates to every organ and tissue and when it is pure, rich and healthy it carries health to the entire system, but if it impure it scatters disease wherever it flows. Hood's Sarsaparilla is the one true blood purifier. It cures salt rheum, scrofula, catarrh, dyspepsia and rheumatism because these diseases have their origin in the blood.

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.
